# Welcome to EverWondr

*Get connected to what's going on around you*

EverWondr Network offers a collection of plug-ins that includes a calendar, directory, guestbook, gallery and more. With one upload, these plug-ins collect and share your content across partners and organizations. The plug-ins install easily in a day or less and work with almost all existing content management systems, including WordPress, Drupal, and Simpleview. The result is a global network that lets you instantly reduce admin time and reach a larger audience.

## DATE SELECTION

You can choose to enter single dates or multiple dates in this area. Single dates are pretty obvious; they are for events happening over the course of one day. The multiple dates option gives you the ability to set up exhibits running over large spans of time, reoccurring events weekly or monthly as well as listings that have no expiration date at all (like an attraction listing).
